

CCS parents say:

"My daughter has blossomed since she came to CCS."

"CCS reinforces our values."

"The heart of CCS is the teaching based on the Word of God."

"The values taught in this school are seen in these children by the community."

"The high school fall retreat is a real special time that combines fun, service projects, and opportunities for spiritual growth. What a blessing to have teachers that want to spend time with our kids outside of the classroom!"

Coastal Christian School

From Kindergarten to High School

*Honoring Christ
in every class and in every activity*

from

Coastal Christian School is an independent Christian school drawing students from many churches throughout Knox and Lincoln County and beyond. Founded in 1979, Coastal Christian School exists to help each student :

- reach his or her God-given potential.
- achieve the maturity and responsibility needed to progress confidently to the next level of education.
- perfect his or her study skills and work attitudes
- evaluate all knowledge against the standard of Scripture.
- recognize that he or she is a unique creation of God created with a unique purpose and plan for his or her life.

Kindergarten - 8th grade

- Emphasis on the mastery of fundamental skills
- Exciting field trips
- Research trips to the Maine State Library
