

***Girls' Health:***  
***An Action Plan for Maine***

**November 2001**

**Sponsored by:**  
Maine Women's Health Campaign

**Prepared by:**  
Medical Care Development  
11 Parkwood Drive  
Augusta, Maine 04330

## ***Acknowledgements***

---

First and foremost we wish to thank each of the participants at the Girls' Health Summit who energetically discussed and thoughtfully encouraged each other in the difficult task of generating the ideas in this plan.

Karen Heck, a consultant for the Maine Women's Health Campaign and Lisa Tuttle, staff to the MWHC at the time of the Girls' Health Summit, were the principal authors of this report. Laura Ronan of Medical Care Development and MWHC served as the project advisor and editor. Additional invaluable assistance was provided by many reviewers, facilitators and planning group members.
